We're on the same wavelength. I called her immediately after you and I chatted about it. Crossing my fingers it's not too late notice...

You know who would be fun to have on this panel if she's available is Patrice Hopper from Brookfield. If you think she's a good fit, send me a little blurb on it and I'll reach out.

Hey Nick – Do you have some time today or tomorrow to chat about Jessica's panel at the West Coast Urban District Forum on the 16th? Trying to hone the format, the focus and prep for a larger call with the rest of the panelists + JL.
